

From Judge Talparr to
Dr. Leischner

56 Ripelle Square 30th Nov. 1846

My dear Father Leischner,

Your note arrived just
as I was about to write to ask you if you
will afford us the great gratification
of meeting my Mother and the members
of our family at dinner here on
Thursday 7th January 1847. May
send me one line to say you will
come and thus ~~afford~~ communicate as
great a pleasure to our family circle as it
can become.

I have no difficulty in answering your
question. The sum which Mr. Lount is
to pay (if he has not already paid)

To Mrs Davis in £5000.

Believe me to be,

As ever Dear Sir,

Ever truly yrs
