November 24. 11. 16.

Dear Lady Taylor.  
I have just received  
your kind letter and  
invitation. But  
too late to come to  
see you, as I did  
not get the letter  
until nearly four  
o'clock and I had  
an engagement at  
5. I am so sorry,

not to see you this  
time in Edinburgh.  
No Pene is not  
with me this time  
she is at school  
near Inverness. But  
her holidays are  
getting near now  
so soon I shall see  
her and I will  
tell her of your  
kind remembrance  
of her.  
With kind regards to  
Sir Joseph.  
Yours sincerely  
Walter W Borden
