

Dear Mr. Conway,
Excuse a dictated note
for I acted better this
evening, & my eyes ache
from weeping. Mr. Irving
says "yes" to what you
spoke with me about.
This morning that's quite
splendid I think to get
him to say yes. I should
say (but have not spoken
with Mr. Irving about this)
that you had better say

To see him at the Theatre
to-morrow or Monday to
arrange matters, this is
a humble suggestion.

Yr very sincerely
~~Yr~~
