

36 Ouelow Sq.

July 8, 1958

My dear Scott.

I waited loyally at home those 2 mornings in hopes of seeing you, and also working to get ready for a start abroad somewhere.

I am glad you have given up the U.S. lecturing tour in summer. Nobody will listen to lectures in the hot weather ~~there~~ and it would be a cruel thing to go & fail. Go to prosper days

Yours always

Wm Shackeray
