Dear Mr. Meulton

I am indeed very  
sorry to be unable to come  
or meet the Burgomasters  
of Brussels. As having  
been connected so much  
with that city in my  
earlier days. by the

Successful operation on the  
1st Leopold in '63 - being  
a Commanche of his order -  
having been "Sung Extra" to the  
present Leopold ever since his  
acquisition, I feel half a  
Belgian - Unhappily

am already engaged for a  
dinner that way -  
With much respect

Yours sincerely

Henry Thompson
