

EDWARD THURLOW, LORD THURLOW

BORN 1732, DIED 1806

LORD CHANCELLOR

Five of whose decisions are printed in full in English Ruling Cases

# English Citations in American Courts exceed any others excepting U. S.

*The purchase of sets of reports should be governed by relative frequency of citation and use.*

A careful count of the citations in the latest volumes of each set of American Reports is summarized below. Only citations in the decisions (omitting those in briefs) were counted, and citations to the set of the State itself were omitted as they do not affect the question how outside reports are cited.

*In the 32 older States English citations exceed all others*
