

THE GLADE,
BRANCH HILL,
HAMPSTEAD.

June 27 - 1894

Dear Sir:

I fear I have nothing
to suggest, except that
you should keep a good
look out for sales at
the bazaar, where such things
as Lamb manuscripts
are mostly to be found - and
their commission some
friend, a bookseller, to bid
for you.

You would be quite safe
in consulting on such
matters my old friend
Mr. Bair, the bookseller, of
No. 1 Haymarket, London -
Yours faithfully
A. Ainslie
