Letter - Lecture
Prof. Pyndall
31st 7 April
1862

John Pyndall

I will not
write for the
subject.

My dear Sir.

• If I give the
lecture before here; of which
there is every probability it
would cut away the possibility
of the 23rd of December
I had better I think for
me as early as you can
in November.

Yours very sincerely
John Pyndall.
