My Dear President

I am on my way  
to Hamilton, returning the last  
of the week. There is some  
chance of my being obliged to  
be here York in November  
at the time you were. But I  
am thinking of being at South  
College Nov 14<sup>th</sup> and if I do  
I can go to Amherst on the  
16<sup>th</sup> I will see what can be done

Yours sincerely  
Chas. Dudley Warner
