

LIMNERSLEASE,
GUILDFORD.

My dear Miss Leighton

I am
shocked to find how much time has
gone by without an acknowledgment
of your kind thoughtfulness in
giving me such comfort, & thanking
you for it. I am such a bad
hand at expressing myself in words
- that I always put off writing
letters about any thing till in
many cases it becomes too late
to do so. I am sorry to say,
Please pardon an indifference
apparent but believe me
not real, & believe me to be
yours gratefully & very sincerely
