Dear Barbara

I know Mary has  
written to you so I will only say  
how much we value the Photography  
which is excellent & extremely like  
my dear old friend & to many,  
dear, I need not again endeavor  
to express my sorrowing sympathy  
having seen you so lately & hoping  
to see you here but you will believe  
me to be yours very affly  
Sister
