My dearest Barbara.

I have so often thought of
you - & have been sorry for
myself because I cannot
write - Martha ever has
been thick upon me, & I am
grieved when I think that
if I had written some weeks
ago to you - you might have
got the portrait of Lord Lington
sent to Barlington House.
Sir Brian did not answer the

official report, & perhaps
he is absent - so it is, a great
loss - & there are too many
unknown & interesting people
represented in the ~~Exhibition~~
However there is much to
be thankful for - & Sir Edward
Pageter has done his best
to do him honour -

I long to see you - you will
come soon won't you - Christmas

is blessedly over - I have
strength for every day, some
more some less. - I know what
I want to do with the rest of
my life, if so I may be made
this spot a shrine, in some ^{possible}
magnificent which his life will
still go out to others -

I have your little photographs
of Sir Edward & W. Morris
Thank you from my heart -
Yr. Ever aff. to
Mary
