Stafford Lane, March 30
1842

The Duke of Wellington presents
his Compliments to Mr. Mackinnon
and expects that he will be so
kind as to enable him to send
an answer to the Circular Letter
from the Secretary of State upon
the turning out & inspection of
the Germany Corps a Copy of
which was sent to him some
time ago, for James has been
repeatedly applied to the
Duke upon the subject.
