Leonard Rees, Esq.,
Sunday Times,

Dear Mr Rees,

If I wrote you my impressions of Austria up to date, they would contain more blasphemy and infamy than you would care to publish, as I have been here over a month and it has rained nearly every day. I am going to Vienna tomorrow and I shall have a further three weeks or so in Austria and Hungaria so I shall be pleased to send you an article along at the end of that time.

My kind regards to Mrs Rees.

Yours sincerely,

Rebecca West.
