My Dear Phelps

I enclose (with
many thanks) a formal receipt
for the 100 - which I wd. have
done earlier this morning if I
had had a stamp of the proper
amount. -

Hope to bring my wife
and daughter to Mr. Macbeth
to-morrow night and there
is some plan of a joint visit
by her & Mrs Dickens then
it is acted next week.

Mean time I am laying in -

stock of tripe and cow heel
for the supper on the 27th

I shall see you at rehearsal
on Thursday

While then
Remain Yours truly
