

Toronto.
June 22^d 1854

Dear Sir I have to apologise
for not sooner stating that
I shall have much pleasure
in being present at the
University Dinner on the
26th Inst. I have been
so closely occupied with
the Examinations it escaped
my mind till now.

I hope you have included
the Examiners, and also
the Members of Senate in
your invitations.

Yours very truly
A. McCall. Esq. Dan. Wilson
