

New-York  Tribune.

New York, April 20<sup>th</sup> 1873

Dear Sir: I do not possess a copy  
of either of the volumes. The first is  
exceedingly good, and both are out of  
print. I will try to get copies,  
and, should I succeed, will forward  
them. You shall have the photographs  
within a couple of weeks. I have not  
had time to dit for it. I suppose  
you have got "my witness".

Yours  
William White.

M. David Simons Esq.
