

12 - Boyarben
Kaul

My dear Friend,

I sincerely condole with
you & Mr. Cunningham on the
loss of your dear Boy. Having
suffered in this way twice myself
I can truly sympathize with
you -

Perpetual engagements
have prevented my visiting you
again. - In the course of
the next week I shall try my
fortune, we may be breakfast
with Mr. Chubb. We will
then discuss the selection
for which I thank you,
and talk about the vol.
most for the day
