

The large coat ought to be —

Monday 10/1

No, it ought not —

Emon, 11/1

Dear Mark, Is there really
 a meeting on Wednesday, as
 per invitation, or is it only
 a pre-arranged of the great
 Festival of the Church on the
 day. You said you were
 going, & I suppose others are,

and I suppose there will
hardly be a meeting. I hope
we a time. I shall be
selfishly glad if there is,
for I have the front, &
am also very busy, & cannot
think of Epsom, and therefore
shall be glad to come to
the dinner, but I could
like to know.

Love yours

B
