

Brunswick House,

Morley. near Leeds

Oct 22. 1876

Dear Sir: Mr Anderson of
Hull has kindly mentioned your
name to me, as being likely to
obtain for me a few extracts
from documents in British
Museum.

Will you kindly see
for me, when you are there,
whether there is anything in
the Harl. Ms. 797^r respecting
"Monastery of the Friars at
Morley." If the Morley
is this one, in Yorks. Any
extract having reference to this
place, please send me, if
you come across it.

Yours truly

Wm Smith
