Dear Miss Hillard,

Here is Burne Jones's letter
- you have only to send in your name,
- coupled, if you please, with mine, and
you will find the pleasant gifted
man dear to us all. I should
much like to go with you, but my
time is sadly taken up just now -
and you may be disposed to see
the visit at once. I shall hope to
hear the result from your own lips
in time. Ever sincerely yours
M. Burne Jones.
