X

Probably Dr Berkeley
afterwards
Earl of Berkeley

WHARTON, Thomas, Marquis of, an English statesman, who became a prominent member of the Whig party, and, with his father, was the first who went over to the cause of William III., on his landing in 1688. He was soon afterwards nominated comptroller of the household, and a member of the privy council. In the reign of Anne, and during the ascendancy of the Tory ministry, he was in opposition; but after his party obtained power, he was employed as one of the commissioners that settled the treaty of union with Scotland. He was subsequently appointed lord-lieutenant of Ireland. After the accession of George I. to the throne, he became lord privy seal, and received the title of Marquis of Wharton. He was known amongst his own party as "Honest Tom Wharton." He is stated to have been the author of the famous political ballad called "Lillibullero." B, about 1640; D. in London, 1715.

BERKELEY, Francis Henry Fitz-Hardinge, English politician, b. 1794,
younger son of the fifth Earl of Berkeley; educated at Christ Church, Oxford; M.P. for
Bristol since 1837. 109.732.4
