Friday morn.⁴

Dear Mr Leslie

Lord & Lady

Somers have promised

to come out & take

a quiet dinner & stroll

with me at Richmond

Hill, next Tuesday -

Can I prevail upon

you & Mr Leslie to

come & meet them. I

W. W. Wood

should think this
a bold proposition,
as I have no party,
if I was not sure
that you know them
well & how much you
must like them -

very truly yours

Lansdowne

where I am chiefly
staying now, is in
the greatest beauty
