

Blairbeg, Lamlash, Arran. NB.

Aug. 31. '76

Dear Miss Lane,

You are quite welcome to use  
"some short passages" for the purpose you  
mention. I am obliged to add, - in the  
interest of the Publisher, not my own, - that  
" " "  
there must be "passages" only - not complete  
poems - unless very short ones.

Yours obediently

Walter Bannister.
