Fentons Hotel St James Street
Sept. 15th 1854

My dear Sir

I now return you the
copy of a part of a speech of
mine which you were so good
as to send me upon the 12th.
Inst, and have made all
such corrections in it, as it
appeared to me necessary to
make my meaning clear,
and to meet your wishes.

Believe me

Very truly yours

George

Sir Geo. Gres
nephew of Earl Ross the Referee
