My dear Sir

You have already had
some of Bulwer's *Pelham* from
the large sum (£20,500) given
for this property - we best solicit
your cordial assistance in promoting
the sale of the same at Wolverhampton
we can provide you with prospectuses
to aid in this purpose - 30,000
Pelham have already been sent out
there is no doubt if you set about it
you may not only sell largely but
obtain a number of subscribers for
the whole 20 monthly volumes
Bulwer being the first novelist
in Europe I remain

Yours very truly
Genl Southey
