Sir you have done me
the honour to purchase
my "Drawing" in the R.A.
Club & express to you
the additional pleasure
it gives me to find
myself connected in
any way with a Comrae
whose name is so worthily
& intimately known to
Art. I shall be
glad to receive your
instructions, as to its

disposal. - The terms
are drawing near for
the close of the exhibition.
I can send you the
printed order for its
delivery, or if you
prefer it I will undertake
the delivery myself.

Dear Sir,
Yours faithfully,

Arthur Deane
