Dear Bicknell

Cole tells me that you will lend us
some works by David Roberts - He wants me to
call and see you - but unfortunately I am
kept at home with a bad attack of gonorrhoea.
Moreover I have implicit faith in your
judgment so let me beg you to fill up the
enclosed form and on the last column
request that the Pictures may be sent for
on Tuesday next as I want to begin
hanging on the Wednesday

Truly yours

Henry O'Neil
