Dear Lou Blyth,

I thank you much for  
your kind letter. I shall be  
here till Christmas, & if you  
would telephone first just to  
make sure of my being in, I  
should greatly like to show  
you the portrait of Sir Walter  
Gilbey - which he has not himself  
yet seen in its frame -

Perhaps I suggest Monday Tuesday  
or Wednesday of next week as  
days that might include one  
which would suit you?

Yours very truly  
Miss Anne - Lou.
