not to send

Grove and No
May 17th

My dear Sir

I have sent to the
Crystal Palace a large
Italian Subject, but I
trouble you with a note
to beg it may be hung
in the line of sight,
as the objects are so
highly finished & small
the view being quite
Panoramic, that is

will be entirely
lost if placed as
high, as its size
might seem to you
to warrant.

When do the Exhibitors
receive their tickets?

I am going to give my
wife a season ticket.

I do want to see

The flower show in

the 24th?

Enclosed is a descrip-
tive title for my
picture - I suppose

we shall have a

banquet day before

the Exhib. opens?

Yours very truly

G. J. Harvey

Henry Mafford Esq.

Please to deliver to
the Committee of the
Art Union of London
my picture N^o 824.
