Dear Sir

M<sup>r</sup>. M<sup>r</sup>. Queen wishes to have the writing put into  
these Plates directly - may I beg of you to let it be  
smaller & fainter than the last - You were good  
enough to promise me money this week - and  
I have £1 - nearly to lay out in copper for you -  
and am quite out - The Bearer will  
receive for me whatever you can oblige me  
with - I would have come myself, but really am  
not well enough for any thing, but to mind my  
work at home - I am

Y<sup>r</sup>. obliged & ob<sup>d</sup>.
