Dear Sir,

I find I have left, one
of the Mausoleum by Turner
& also out before letters of the
field of Waterloo. These
will three of the Paris
plate before letters with the
two in colors facsimiles
of the Drawing of Paris & of
Garden of Venice - I will
exchange for your work
of the English School - If
you will send it to me
your obliged

I shall bring them back to you
 The two large pieces before letters
 of the Mausoleum & of the Waterloo-field
 are very fine ones before letters I could
 not well bring them this morning without
 damage a folio should be sent for them
 with them pieces are very rare & not
 to be bought -

Dear Sir

I received your order
for one print of Lady Canterbury
I think I have none to be
must print one but first
tell me can you give me
a certain number of
mounts for drawings
to put on for my proof
that you have had of use
I owe you something under
20 Shillings & you have
have proofs of Arch Bishop
Whately & one for Duran
of the Waterloo field by night
de de cannot locate
in a number of mounts

to as to discharge these
matters & I will send
you the print of Lady
Carterbury & add the
amount of 15^s for it
in account for my studies
with other expenses
very faithfully
