My dear Sir

I will not fail  
to wait on Sir Edward  
Lytton at half past three  
on Thursday.

Believe me

Very I am

Oct. 2 1875.

how that one has dropped  
down into colonial life,  
a photograph book such  
as I can get together  
becomes a great boast,  
and a great boon alto-  
gether, in our small  
society. Will you add  
your picture? I should

Very dear Mr. Dixon,

I write to ask  
you to be so kind as  
to do what you can  
towards putting me on  
the superannuation list  
of members of Our Club.

I was present in  
my attendance during

the latter part of my  
stay in England.

The West End beguiled  
me, & I did eat my  
dinners in the very  
place & at the very  
hour. The loss was  
mine, but I should  
like not to lose any-

thing. Tell me, then,  
if I can be made  
Superannuated member.  
I shall turn up again  
on Tuesday some of  
these days.

I wish my name to  
be collected the portraits  
of my London friends.
