Sir.

In reply to your
Circular I beg to
state that I entirely
concur in the views
expressed & shall be
happy to join the

Dear Sir

I would rather
not be placed upon
the list of Vice
Presidents, as I
have not the
pretensions that would
justify it, & there
will be no difficulty
about taking the Chair

Yours

at my house, but on
the 2^d point I quite
agree & had the glad
that the Committee
shd be strengthened

Dear Sir,

I have a letter
today from Mr. D. of
Manchester from
Hindinbrook saying
that the Queen is
not prepared to give
her name to the
Subscription for a

Copy

monument, & I would
advise that the subject
shd be left at rest
for the present & no
more advertisements
issued -

all idea of a grand
monument must be
abandoned, but the
fund that has been
raised will erect a
statue in some suitable
position -
