

Greba Castle

Thursday evening

Dear Mr. Caslin

Our little boy has been
de with Chicken Pock or
I should have been in
Peel before.
I want to pay for the
brakes. Please get the
bill for me some day before
long.

My brother wrote a short
account of our gathering for
the Pale Male Gazette & it
has been copied all over
England & America.

Miss Braddon writes that
mother says how much
she wished she could have
been there.

A stranger writes that if
such gatherings were frequent
there could be no more
strikes. With kindest regards
Hall Caine
