My Dear Mother

I only received your note
on my return from a late
dinner at Sir M. Levinge
last night, ever since
had just starting for London,
I can only therefore
express the sincere pleasure
both Sir Charles & myself

No. 11

And on having Brighton
with the assurance of
your recovery, and
with the hope of soon
seeing you in London
as well, as your friends
& the public can
desire; every interest

and benefit of you
Mrs Yates and accept
for yourself the
best wishes of us

Mrs Yates most truly
yours
[Lady Morgan]
