

My dear Mrs Yates

Blindness & bad  
weather has prevented me  
acknowledging myself of your kind  
offer of a box in your charming  
letter *Sal de Spectacles*. I mean  
to come out with  
the butterflies and will make  
my debut tomorrow night  
at the *Adelphi* if you will  
kindly accommodate me with  
a box behind the lamps -  
May I bring two dandies

with me as my guide & copy.  
with but compliments to  
Mr. Gates in W<sup>m</sup> Josephine Jones  
I am your very truly

Monday 11 March - Lady Morgan
