Sir - I have purchased from the Knickerbocker the  
M. J. Double Face People - of Wicked Wife &c and  
have also bought several other plays to be  
brought out at the Museum in New York  
previous to the published copies arriving there.  
I would have liked for the same purpose the  
M. J. of your "Friend from Beathenhead" but  
have not been able to find your address.
