Dear Mr^s Gates. I am sure you I
feel very sensibly of kind recollection.
It much enhances the pleasure I
have often felt, & feel in observing
of distinguished, & well deserved
success in literature, - gained which
did not fail to earn official
credit likewise. That I have been
at any time able to serve you, &

to gratify of excellent & admirable
mother, will always be to me a
happy reminiscence. I am
reading here of ^{"Belvoir Hope"} ~~the~~ ^{the}
is excellently written, & contains some
very striking observations & passages.
They tell me that "Castaway" is
as good, & still more amusing.
I shall judge for myself next
week. Believe me to remain
always sincerely yours
