

THE LAW COURTS, LONDON

POST CARD

The Address only to be written here

WINDSOR
SEP 36

Mr. Hugh Reed
50 East 10th St
New York City
N.Y. A

Dearling, I hope you will not object to postcards but when I'm not going about, I'm trying to determine what I've done with this English money which is most confusing. London is fascinating - so solid but completely illogical, it seems to me. Tomorrow we go to St Pauls to church and to Natl Gallery and British Museum. Today we went to the Abbey + Natl Gallery besides some general sightseeing. Love
Tom and Aunt
