

Mr Campbell

S. G.

Thursday Morning

My dear Mr Campbell,

My daughter has  
written to Lady  
Bethell that we  
come tomorrow by  
the 3 o'clock train  
~~which~~ you recommended

There is a Coleridge  
Lectureship for that  
hour - but I shall  
cut it - there being  
nothing to be considered  
about Coleridge

I care.

I was glad to hear  
from Bob Loei  
whom I met at  
Mendocino that you  
had invited him  
for Sunday - as  
having been a  
member of the  
Regulation Com.  
mission had  
may be of service  
to us. I shall

be glad to assist in  
settling the Ball -  
but wishing it and  
I come to the chair  
conclusion that  
it ought to be  
conducted in the  
Hall of Congress  
where you saw  
Thorp for James  
Graham & they  
will be able to explain  
fully & to defend the  
principles on which  
it rests.

Yours truly  
C. A. Hall
