

Supper Chambers Duke St<sup>t</sup> St James London Sept<sup>r</sup> 27. 1832

My dear Moore

A thousand thanks to you for joining our Association  
we all feel ourselves honoured by your name —

The first time you come to town we shall prepare to meet  
you at the Chambers here with all the honours — & we  
shall have Prince Czistoryski whom I am sure you will like

I have always an impulse to send my best respects to Mrs Moore  
but I recollect that I have no right to do so according to  
etiquette — never having been presented — And yet I dare swear  
she is above etiquette —

Yours very truly

T. Moore Esq
