November 1896

My dear Lord

At the last Bishops' Meeting their Lordships requested the late Archbishop of Canterbury to send out in November a second Copy of the "Fixed days" in order that each Bishop might enter them in his engagement book and so keep the days clear from Diocesan and other engagements in order to attend Meetings of so much importance to the Welfare of the Church.

I enclose a second copy to your Lordships accordingly

Believe me
Your faithful Brother and Servant

The Lord Bishop of
Durham

F. Carter: (elect)
