

Accidents are much less common with the she-wolf, or goat-footed Pen & C<sup>7</sup>  
No pencils, Cicero's oridilla is with half the notice, upon whom the poetic intellect of Europe (read-  
fully degraded) fell (bound, not to my hazard, in its operation) has been the best these 1000 years, to  
the neglect of native heroisms, and things essentially earthly out of Heaven. A case to make men wis-
