

17 Hertford St, Mayfair,  
Jan. 30/64.

My Dear Professor,

Permit me  
to introduce to you Mr Flower,  
the Mayor of Stratford-on-  
Avon, who visits Edinburgh  
on business connected with the  
proposed celebration of the  
Tercentenary of Shakespeare at  
that town. Pray give the  
Mayor's views your favourable  
attention, and do what you

may think proper to forward them,  
and so oblige

yours always sincerely,

A. Chambers.

Professor Gladwin.
