

New York June 9th 1859

Dear Sir

I dare swear you think me
wonderfully indifferent to the sum of \$5000. No
such thing. I always meant to be in time. I doubt
you have the opinion of our first law character
if not the first in the United States. Shall
I come? Can I be of any possible service?
if so write me & inform me of the locus in
quo & I'll be off at a moment's warning.

I do not know that I have any thing
more to add but a God bless you & prosper your
able efforts with success, & pray send me my
brooches by Dutch O'Gop if he ever comes here again.

Yours truly
J. Coleman
