Wentlock Road, City Road.  
— 12 April 1858

My dear Sir

I must call your attention  
to Mr Miles and Mr Porter over the  
account one to the other and the other  
eight months, these gentlemen must  
have forgotten their liability, had I not  
written reminding them that if they have  
forgotten them they have not

I am Sir,

Yours truly  
J. H. P.
