

Belgrave Place 20 March 1824

Sir.

I am sorry that circumstances prevent  
me from doing myself the honor of accept-  
-ing the situation of Steward in the  
approaching meeting. and I feel  
this the more deeply because I know  
how useful the Society is and how  
important it is to assist in whatever  
is beneficial to our country.

I remain Sir

Yours very respectfully  
Allan Cunningham
