

Belgrave Place 21 July 1832

My dear Madam

As the engraved copies have cost me more
trouble than I expected I fear they are not
quite so good as they should be. I wish
the printer found me two copies so that
I may correct the paper to my mind. I
hope you have made good way with
Madame and that we are to
have the Bazaarers soon.

Yours ever
Anne Cunningham.

W. L. Hall
