Veroy of Piche

Dear Mr Hobson

Permit me to
write you one line
thanking you ^{for} the Advertiser
the vindication
of my conduct in
the really very
simple accident
that happened at
Queanstown.

The writer of
the letter was

Notelbe
Denby

Apparently anxious
to make party
Capital out of it.
but if such
was his desire,
it will have
been frustrated
by the rejoinder
which with
perfect impartiality

and I must
add with the
greatest courtesy.
You were kind
enough to appeal

Yours very truly
George Curzon
